Dear Mr. Parrado:

The Million Dollar Round Table (MDRT) 2008 Annual Meeting is now history. I have no doubt that lives were changed over the course of those four days in Toronto. As our members return to their homes and communities and put in to practice what they learned at this meeting, many more lives will also be changed.

Members come to the MDRT Annual Meeting not only to learn, but to be inspired and re-affirm the importance of what they do. The Program Development Committee worked hard to create a program that met those expectations. Meeting attendees returned home better equipped to face the personal and professional challenges they will encounter in the coming year.

On behalf of the Executive Committee, I thank you for the Main Platform presentation you gave and the contribution it made to the success of the MDRT 2008 Annual Meeting.

Sincerely,

James E. Rogers, CLU, CFP  
President
